

## LE COUTURIER

Fashion and interior design have always strongly influenced each other. This collection looks to the world of haute couture for inspiration – a world committed to craftsmanship, where each garment attests to the couturier's savoir-faire and exceptional artisanship. These special techniques and high-quality materials have now been combined in a collection of high-fashion wallcoverings.

### **La Perle**

Delicate embroidery with a classic floral design. The black and white version has been finished with elegant pearls. Like in haute couture, pearls add a touch of sophistication.

*La Perle is available in 4 colourways.*

### **Fringes**

A stunning jacquard design, incorporating a whimsical zigzag pattern in the weave of the fabric, with the loose threads creating a spectacular effect on the wall.

*Fringes is available in 7 colourways.*

### **Majesto**

A stunning jacquard design, incorporating a sleek damier pattern in the weave of the fabric, with the loose threads creating a spectacular effect on the wall.

*Majesto is available in 3 colourways.*

### **La Dérive**

Lose yourself in the magic of this enthralling design. In French, dérive is synonymous with a spontaneous journey, where the traveller leaves their ordinary life behind for some time, choosing instead to let the landscape and architecture be their guide – in the same way that you may be inspired by this embroidered wallcovering.

*La Dérive is available in 3 colourways.*

### **Papillon**

This 100% Dupion silk is sourced from mulberry silkworms. The elegant fabric, with its lovely subtle sheen, is woven on high-tech looms, with the sophistication and weave setting this pure Dupion quality apart from other silks.

*Papillon is available in 15 colourways.*

*Prices available on request.*
