

BOUTIQUE

The wallcoverings in this collection revisit the glamour of mid-century Japan. After World War II, Japan experienced tremendous growth, sparking a transformation marked by vibrant optimism and progressive thinking. In interior design, this hopeful mood manifested itself in new, mostly shiny materials and exuberant patterns, of which there are an abundance in the Boutique wallcoverings.

Sunburst

An evocative panoramic wallcovering depicting a rising, radiant sun in the sky using a very fine layer of wood veneer.

Sunburst is available in 2 colourways.

Riverbank

Inspired by classic tapestries, this woven jacquard wallcovering depicts a lush riverbank with a Japanese crane peeking out of the vegetation. This unique species symbolises good luck and longevity in Japan. The drawing is intentionally pixelated in a nod to the country's mid-century optimism.

Riverbank is available in 3 colourways.

Gilded Heritage

This dazzling design in metallic colours, inspired by gold leaf, references the shiny materials that were all the rage in post-war Japan, as well as a heritage with a rich, intriguing history.

Gilded Heritage is available in 4 colourways.

Alentejo Cork

The cork in this design is very refined, with lots of detail and a glossy lacquer topcoat for a touch of glamour. The wallcovering takes its name from Alentejo, a region in Portugal renowned for its cork forests.

Alentejo Cork is available in 6 colourways.

Glowing Patina

This elegant wallcovering has a warm, opulent sheen of gold and silver, combined with a weathered look. It exudes a sense of history, making it the perfect choice for anyone looking to add vintage charm and sophistication to their interior.

Glowing Patina is available in 6 colourways.

Agave

With craftsmanship, sisal fibres have been shaped into sturdy textile yarns. The cultivation of the Agave Sisalana plant, from which these fibres originate, primarily takes place in the Northeastern region of Brazil.

Agave is available in 10 colourways.

Canyon

This plain wallcovering is an abstract representation of a canyon – a narrow, deep valley cut by a river through rock. The various colours and glossy layers, combined with the rough outline, evoke the different types of rocks in a canyon.

Canyon is available in 10 colourways.
